

Our Philosophy

Unlike most photography studios, we don't believe in undercharging for the photography session and then charging an absurd price for the prints. When you use KristeenMarie Photography you receive full rights to all your images. That means you can print as many as you want, when ever you want!

Weddings

It is our goal to capture your special day the way you want it. We pride ourselves on the small details, from the first kiss to the flowers.

Our wedding package includes 7 hours of photography, 15 image touch-ups of your choice, and full reproduction rights of all the images taken during the day.

\$800

If you have requests different from these please contact us for a customized package quote.

Couples

Engaged or just happy to be together? Have fun for a few hours with your partner and leave with images that will last you a lifetime.

Our couples package includes an up to 2 hour on location shoot. You choose the spot and we take the pictures. You have unlimited wardrobe changes. You have full reproduction rights of the images after the shoot.

\$150

If you have requests different from these please contact us for a customized package quote.

Children

Bring your child ready to have fun as we capture their beauty and innocence.

Our children's package includes up to 1.5 hours with your little one. You choose the spot and we take the pictures. You have full reproduction rights to all the images after the shoot.

Starting at \$120

Family

A family portrait can be one of the most important parts of your home décor. Cherish the good times with some remarkable images.

Our family session includes up to 2 hours on location. You choose the spot and we take the pictures. You have full reproduction rights to all images after the shoot.

Starting at \$200

Cooperate

Don't miss a beat of your cooperate event! We will capture lots of images that you will be excited to use in your advertising and promotional material.

\$100 for the first hour \$50 for each subsequent. You have full reproductions rights of the images after the shoot.
